

THE SISTERS

the story starts in MEDIO-RES

the child is speaking about the death of the priest.

He is not sure that the priest is dead. He was sure when a visitor comes to his house and announced the death of the priest.

The child tries to hide his feelings and reasons.

The child should play with other children (according to COTTON)

but the child hates Cotton because he intrudes with comments to his life and also because he is drunkard and he sits in the fireplace.

As he was not sure about the priest's death, so he went out in order to check in the 1st person → He saw a CARD.

REACTION → he feels relieved and free.

↳ BAD RELATIONSHIP WITH THE PRIEST
(Curious relationship) + STRANGE

4 CHARACTERS

A PROBLEM OF PEDOPHILY THAT IS ONLY HINTED AT, NEVER EXPLICIT.

THE BOY IS RELIEVED, THE BOY FEELS BETTER

AGE OF ANXIETY = epoca del 'angoscioso'

↳ epoca in cui serve scap

Child → runs with his aunt and uncle

④ FASH QUESTIONS

④ A common visitor → Our father who probes into the child's life so the child doesn't like him

The child went into the priest's house in order to be sure about his death

He saw RIP

He has a dream of the priest → it talks about paralysis.

In the dream the boy receives a confession of the priest → remembered from the past. The boy used to give tobacco to the priest.

The priest's description connotes him as shabby, sick, disgusting, sloppy, improper, filthy (wario)

CONFESSION OF THE PRIEST → He was a pedophile

But then the boy remembers that he was dead, so it was all over.

The child is relieved that the priest is dead.

The nightmare (INCUBUS) is finished

The priest is ~~sketchy~~ Symoniac

THE CHILD WANTS TO SEE THE CORP BECAUSE HE WANTED TO BE COMPLETELY SURE

The child feels annoyed because of the sense of guilt that the religion has imposed on him

IF YOU FEEL NORMAL AND NOT BAD YOUR ARE INSENSITIVE

His relatives don't understand what was happening and they think that he was a god rather

PRIEST = disgusting details about his physical appearance that shows his last WEATHER condition → Son = good judgement (the one "liberating")

The Caesura

NANNIE = "ANN"'s diminutive and it means "BAU"

He sees the world from a particular point of view which exaggerated everything (POINT OF VIEW OF A CHILD)

He went into the tower because there is a death person so he didn't want to make noise.

He was afraid that he is not death

All his attention were focused in order to check that the priest is death

AS THOUGH THE PRIEST WERE AN OBSE

He refused crackers in order not to make noise. = HE IS AFRAID

"DID HE DIED PEACEFULLY?" -> Had faith and belief more

Priest had an important position in society, they had the possibility of become important, famous and rich

Father Flynn was not rich, he was a silent priest

He didn't want to take advantage of his position
